My Dear General:

Please allow me a few minutes of your  
valuable time. I am [redacted] on the launch "Howard" stationed at Fort Jay Governors Island  
New York. The same launch on which you and  
Mrs. Smith had several enjoyable trips up  
the Hudson River. I would greatly appreciate it  
if you would give me a letter of recommendation  
a copy of which would go very nicely in my  
201 File.

I wish you were back at Jay as I enjoyed  
serving under your command. By the way  
General that invitation to you and Mrs. Smith  
from Mrs. Pierce and I to visit us at [redacted]  
still stands.

The best of everything to you General, and,  
my regards to Mrs. Smith.

I am Respectfully,
